Declass Review by NGA.

Subject: Stop Work Order

Gentlemen:

This is to confirm receipt of [] verbal Stop Work Order, issued October 13, 1965 at 4:35 p.m. on subject contract, Printer No. 2, High Resolution Step and Repeat Contact Printer. As of that time [] started proceedings to stop all work and purchasings applicable to Printer No. 2.

This letter also confirms verbal discussions with Mr. [] in which [] explained that the funds applicable to both Printer No. 1 and No. 2 are depleted except for those dollars that are committed to the sub-contractor on Printer No. 1. [] estimates that an additional [] will be required to complete Printer No. 1. These dollars will be expended in [] engineering support effort.

Once again I will suggest that the increase in cost agreed upon during the recent meeting for Printer No 1, approximately [] be funded. Then once [] has returned to work the question of fee can once again be discussed and settled.

Also, I am proposing that [] transfer the film cleaner developed for Printer No. 2, which is no longer required, to another contract. If your organization has no use for this film cleaner this could free up an additional [] which could be applied along with the [] mentioned above to cover the engineering support which is necessary to complete Printer No. 1.
